To the team at D.I.B Australia,

I write to thank you for the exceptional service provided in installing a new projector system into our school Drama Room earlier this month. We have had work done by you in the past and have been very happy, with this occasion being no exception. Solutions Consultant, Sam Garden was very patient and well advised. The entire installation managed by Mel Garden was great, she is an excellent communicator and we felt like everything was done to ensure work was completed in a timely manner. As for the technicians Mick and Matt, they were courteous, friendly, worked well together and their technical skills were great. They always made sure that doors were locked when not in use and jobs were completed within the time quoted. I would be more than happy to refer D.I.B as you did a great job for us.

Best regards,

Samantha Redman
AV Manager
