love one another as I have loved you

24th of July, 2008

To the team at D.I.B Australia,

I write to thank you for the recent service works carried out on a number of projectors during the school holidays. We have used D.I.B previously for some installation works and to service our Edu-Link system. D.I.B was the only company to call up and offer a projector service so with the help of consultant Adrian Butinar who perfectly explained the entire process we decided to go about it. The job went to the scheduling stage and Mel Garden was very patient and persistent in accommodating our time schedule very well. She helped out a lot!

Kind regards,
