

Nar Nar Goon Primary School

Principal: Mr Jay Stent

30th July 2009

Ref: D.I.B. AUSTRALIA

To whom it may concern,

D.I.B. Australia was recommended to us to pre-install cabling for the future installation of Audio Visual equipment in stage one of our schools redevelopment. They subsequently installed Epson widescreen projectors and 2Touch interactive whiteboards in a number of classrooms.

We liked the flexibility of the 2Touch board which some of our teachers first saw at a PD session. Dealing with Bianca was great. She was happy to answer any questions and provide support.

We were happy with the installation works which went well and with the end result. I am happy to recommend D.I.B. Australia to other schools and businesses.

Yours sincerely,

Jay Stent
