To Whom It May Concern:

Ref: D.I.B. Australia

We first became aware of D.I.B. Australia through their regular newsletters, and as we had a requirement for interactive whiteboards and projectors arranged a demonstration.

Tim Booth from D.I.B. was fantastic to deal with. He was personable, easy to deal with, always followed-up, knew his stuff and gave us the service we were looking for. There was no hard sell and we were able to consider our options. We eventually decided on 2Touch interactive whiteboards and Epson wide-screen projectors.

The technicians who came out to do the installation were excellent. They were observant of occupational health and safety requirements, conscious of the presence of students and staff in the school, and took pride in their workmanship.

I hope to use D.I.B. again for additional installations in the near future.

Yours sincerely,
