To Whom It May Concern:

I am writing to express my thanks for the service you recently provided me upon our purchase of an EPSON projector. I was referred from EPSON to D.I.B Australia and assured of your exceptional service.

I contacted D.I.B and spoke with Adrian Butinar. I found his service to be exceptional and efficient and the quote we received was the best price. In addition to the supply of the unit we also required some instruction on the functions of the projector and Adrian organised a time to come out and train myself and three other staff members. He arrived on time, presented himself well and was very patient with all of us.

Kind regards,

Sharon Peters
