Ref: Boardroom Installation

To whom it may concern,

We recently had D.I.B Australia install a projector, motorised screen, speakers and control panel in the boardroom of our Tasmanian office. We chose D.I.B for this installation due to their previous track record of high quality work.

Tim Booth, D.I.B.'s solutions consultant was a delight to work with. He did everything he said he'd do and always followed up promptly.

The installation itself went very well. The technicians that came out on site were exemplary. They were clean, tidy, and efficient, and tested everything they installed to make sure it worked correctly.

Without question, I would use D.I.B. again tomorrow. I am happy to be used as a reference and as a reference site.

Yours Sincerely
