Reference for D.I.B. Australia - Projector Installations

12th August 2009-08-10

To whom it may concern,

D.I.B Australia recently completed the installation of Epson projectors in a number of our classrooms. We found the people at D.I.B. to be very good. Sam and Bianca are excellent at listening to our requirements and coming up with easy to understand suggestions.

When it came to the installation D.I.B. had great systems. Mel communicated everything to me clearly and well in advance. D.I.B. had technicians out to us when they said they would. The technicians were excellent, completing all rooms on or before schedule and to the highest standard.

I'm very happy that I have used D.I.B.'s services in the past, and will do so again in the future.

Yours sincerely,

M. Murphy
