

ONSITE* SCHOOL DEMONSTRATIONS OF THE LATEST CLASSROOM TECHNOLOGY

75" HD TOUCHSCREENS

VS

ADVANCED CLASSROOM PROJECTORS

Thinking of **upgrading** your **classrooms**
and wondering what the
best technology for your school is?

This is a rare opportunity to have a large 75" full HD touchscreen and the latest in classroom projection brought to your school for your comparison.

Demonstrations are to be held at the beginning of term 3 however spaces are limited so bookings are essential.
